**Re: *Dabney v. City of Hayward* – Case No. 3:09-cv-04116-BZ**

Dear Judge Zimmerman,

Per your Clerk's instructions, we are writing this letter to request a continuance of the Case Management Conference in the above referenced matter, currently scheduled for December 14, 2009, at 4:00 p.m.

Good cause to grant this request exists because not all parties have yet responded to Plaintiffs' Complaint, and it is currently unknown when all responses will be submitted. Therefore, we respectfully request that the Court continue the Case Management Conference currently scheduled for December 14, 2009, at 4:00 p.m., until a later date that the Court sees fit.

Sincerely,

WALSTON CROSS
